(continued on the following page)

¹ Occasionally a decision finds a justice concurring in part and dissenting in part. For this table, and those prepared for other years, each such vote has been categorized as either a dissent or a concurrence according to the following guidelines. If a justice’s opinion dissented from the result on one or more issues, it was classified as a dissent. If the opinion concurred with the result on all issues but disputed the majority’s reasoning on one or more issues, it was classified as a concurrence.
