¹ In few instances, a justice authored a separate opinion that concurred in part and dissented in part. For this and other tables, each such vote has been categorized as either a dissent or a concurrence according to the following guidelines. If a justice's opinion dissented from the result on one or more issues, it was classified as a dissent. If the

opinion concurred with the result on all issues but disputed the majority's reasoning on one or more issues, it was classified as a concurrence.
